

Field Trip to the Youth Expo

Christopher Luu, Weebelo

going. We bowled before going home. If we hit all of the pins, we get two free bowling tickets and one ticket if we don't; I couldn't believe that I hit all the pins!!!

Our whole group had a good time at Youth Expo. I am looking forward to go fishing at Irvine Lake with my troop next week.

I like going to Boy Scouts because we get to go to many field trips throughout the year. On April 30, 2005, our troop went to Youth Expo at the Orange County Fairgrounds and it was my second time attending this event.

There were many things to see and do at the Expo. I like looking at the vehicle museum with many old cars displayed there. Some of the cars were used in 1900s, replacing horse carriages during the early years. The art was beautiful! I could not believe students could make art this good. We saw many different types of art from all the winners in the whole Orange County.

The other activities were really fun! I made a very big bubble. I also tried to throw a ball and then measured it to see how fast it was

My Scout Poem

Nicholas Le, Cub 680

I shout Scouts is fun!
Far from the sun we run!
Akela, here we come,
Good Scout I become!
We go on field trips
We have heaps of fun.
Camping is my favorite.
Making skits and singing songs.
Helping is Scout Spirit.
Good deeds are daily.
I like Scout because I make new friends!
