

## Caroling for “Niềm Mơ Ước Giáng Sinh

I'm going to tell you about Girl Scouts. The first thing I love is caroling. I love it because we get to have a party and be on TV. Even we get to sing a lot. Also I love singing too. We sang with the Juniors and I love that too. We Brownies get to take turns using the microphone with the Juniors. Later we get to have a party for caroling also. We did the pledge with the Juniors. In the afternoon, we all listen to a good song on stage.

- *In December, we practiced caroling for 2 weeks.*
- *We practiced with Juniors.*
- *It was fun (kind of).*
- *Then we ate Lee Sandwiches.*
- *The best part was when we got our prizes.*
- *The second part was when we were caroling*
