

## MY TT9 STORY

Wonderful things happen at TT9. Just to name some: fun games, a great Pinewood Derby, funny skits. Here are some of them. Who didn't like the skits?

Well, I certainly did but my favorite was the "Vietnamese Superman". The Pinewood Derby was fun but I didn't win. I'm still happy that my friend's brother Michael Lai won the 1st, 2nd, 3rd grade Derby! The games were very fun. My favorite game was "Gift from Heaven", it was in the Wet Zone. Every night, I stay up until 10:00pm. To my friends that were early, but to me that was pretty late. On the last day, I really miss TT9. It was so much fun!

The End

## CAROLING

- \* In December, we practiced caroling for 2 weeks.
- \* We practiced with the Juniors.
- \* It was fun (kind of). The best part was when we did caroling.
