

# GIRL SCOUT CAMPING

We at Trường Sơn go camping a lot, such as Liên Đoàn camp or Yucaipa. It's a lot of fun! We play many games. Sometimes we get prizes like a HUGE pack of gum. At nighttime, we eat warm food to keep us warm. For us kids, we toast marshmallows and eat s'mores. When we're not playing games or it's not night time, we're playing around in our tents. We usually play mummy or tag. It's really fun! Now you know why scout camping is really fun!

I like Girl Scouts because we get to go camping. I also like to eat marshmallows at camp too. At night, I like to go into the tent and sleep. When it's morning, I go home.
