

# GIRL SCOUTS

*Girl Scouts are the very best  
I can never take a rest  
We sometimes do awesome crafts  
And then we play around and laugh  
When we go home, I feel quite sad.  
But that doesn't mean it's all that bad,  
Next week I will go to scouts,  
And I will have more fun, no doubt!*

Hi, my name is Vina Ton. I have been in Girl Scout for three and a haft years, and now in Junior. I did many activities with my friends. For example, I went Christmas caroling, car washing for fundraising, dancing, singing at Tet festival and more. Every time my troop goes camping, I have been getting sick. In October, we will be going camping again. Hopefully, I won't get sick, so I can go with my friends and I will also bridge to Cadette. This will be my best year.
