

Educational Truong Son

I joined Boy Scouts in 2005 when I was six years old. I was nervous and shy because other scouts are strangers to me. I eventually got used to being a cubbie. I would really like to receive the Arrow of Light before I become a Scout. I like Boy Scouts because it is educational and very fun. I like to practice knots with Truong Tan. Truong Tan makes teaching more fun and exciting. When I'm working on my book with my den and my group I do not feel left out. When it is time for activities, I mostly play football with Steven, Jimmy, Kevin, Calvin, and Jonathan. Playing football may be rough but I think it is very sporty, in my opinion.

I would miss being a cubbie when I move up to being a Scout. I learned how to prepare my stuff before going on a camping trip. I also learned to help other people and to obey the law of the pack.

DO YOUR BEST

As a Scout, we work hard, try our best and be in shape. We will stand tall. As a Webelos, we work hard, study hard and learn to "Be Prepared".

Con thích Hướng Đạo

Con thích Hướng Đạo vì Hướng đạo giúp ích cho con rất nhiều. Nó giúp con hiểu biết nhiều về đạo đức hơn, chẳng hạn trong cuốn sách của Hướng Đạo có 1 chương về việc trở thành công dân tốt của nước Mỹ. Nó cũng giúp con hoạt động nhiều hơn. Giống như ngày mà con và các bạn chơi bóng rổ với nhau.

What I like about Scouts

I like Scouts because it's very fun. The Boy Scouts set the flag up so we can do the flag ceremony. At Scouts, we get together in the morning to do our flag ceremony. Then, we go to our Cub Scouts group and do our own flag ceremony.

After that, we do stuff in our book. When we're finished, we get to play around. My friends and I go play football. Sometimes our leader makes some games for us to play: Capture the Flag and Steal the Bacon and baseball with a tennis racket. At the end, we get to eat chips, get together and have the closing flag ceremony. Then we all go home.
