

I Like Scout

At scouts I like to play capture the flag. I like to go to camps. I have ten people in my den. Those cub scouts are Bryan, Matthew, Alex, Dzuy, Robert, John, Sy Tam, Kevin and Robin. I like going to scouts because I have nothing to do at home. My three cousins also go to scouts as well as my two sisters. I have a lot of friends in scouts, I even know people who are in different troops! I know them because they go to Viet school with me at Hồng Bàng school.

BOYSCOUTS OF AMERICA

Hello, my name is Alex Ta Thanh Long. I have Cub Scouts meeting every Saturday. My pack is Pack 680. My Den is Webelos 1. There are three Webelos dens. I never earned a badge. My den leader is Nicholas. He is very nice and not strict. Every time he is in charge, we don't get to read the really fun stuff. My favorite activity in the Webelos Handbook is Athlete. I like that activity because it was the only activity my den did. My pack once did something fun: we went to Huntington Beach Central Park where we played games. I don't really remember which game we played.

I like my pack very much, but I don't know why the number is 680. What I like most about this pack is when we played "Capture the Flag". What I didn't like a lot about this pack was when we didn't read much in our Webelos Handbook. Still, I like this Pack a lot !!!!!!!!
