

Thank You

Thank you, Lien Doan Huong Dao Truong Son for letting me encourage myself ! For the beginning of Cub Scouts, I was nervous and cried but now I'm having fun and I am happy! When I first joined Truong Son, my pack went camping to TT9 and other camping trips. At TT9, I made my own Pinewood Derby car and we had to race with other team members from all over the world. I raced with the first round and I won 2nd place, and then I lost on the 2nd round. I got a chance to meet other people from all over the world and talked to lots of people. I have learned to become more confident, to be involved with other friends and learned to become a den leader. Thank you, Truong Son for letting me join scouting. I love Truong Son leaders. I'm so happy with Truong Quang and Truong Nghia and other Truongs. Thank you so much for encouraging me to be more confident and become where I am now.

Scouting

Boy Scouts was founded in 1910 by Robert Baden Powell. Back then, it was the teaching of citizenship. But now, it's much more than that. It's having fun with your friends while learning. My troop, Trường Sơn, was founded in 1978 but merged with the BSA in June, 1980. I, Johnathan, joined Trường Sơn in 2005. My dad, Tr. Chính joined in 2006. Now Trường Sơn is a very big troop. The Cub Scouts, has about 40 members. The Thiếu has about double that amount (Around 80). I told you it was big. There were a lot of different leaders throughout the years of Trường Sơn but now, the Cub Scout leaders are, Tr. Chinh, Tr. Nhan, Tr. Nghia, Tr. Duc, Tr. Tan, Tr. Tri, Tr. Chien, and Tr. Hau (soon to be). There is a lot of other Vietnamese Boy Scout Troops but Trường Sơn is my favorite troop.
