

Why I Like Being A Boy Scout?

What I like about Boy Scouts is that we earn badges and get to wear our uniform. We learn a lot of things such as swimming, geology, how to handle household cleaning chemicals, etc... When we finish certain part of requirements, we let our leader know. At ceremonies, the leader then rewards you with a badge.

There is a person called SPL, it means Senior Patrol Leader. The person is in charge of the entire group.

Scout leaders teach you how to survive when you get lost, leadership, independence, and many more. Boy Scouts has taught me a lot. I've been in Boy Scouts since I was six years old. I will try to teach younger kids and new kids everything I know. I want to be a role model for them. That is why I love Boy Scouts.

Sau một buổi sinh hoạt, sói nâu về nhà kể chuyện với mẹ:

Sói nâu : Mẹ, hôm nay lúc sinh hoạt Trưởng nói ở nhà ba mẹ là

leaders nên con phải nghe lời ba mẹ.

Me : Đúng rồi.

Sói nâu : Ở ngoài park ba là leader, con phải nghe lời ba, đúng

không mẹ?

Me: Đúng như vậy.

Sói nâu: Vậy nếu ở nhà mẹ cũng là leader thì con nghe lời ai?

Mẹ à, con nghĩ mình cần bầu liên đoàn trưởng!

Me : !!!!
