

Ngày nào Em Mới Brownie

Em đi hướng đạo với Daddy mỗi tuần
Cùng bạn cùng Trường không ngừng
Em chơi em học và cũng từng camping
Trèo đèo lội suối hiking
Đêm về lửa trại bạn mình cùng ca
Mỗi mùa hội chợ Tết ta
Em cùng các bạn múa ca diễu hành
Bây giờ em đã thành Thanh
Vẫn mê hướng đạo vẫn dành thời gian
Mặc dầu bận học gian nan
Trường Sơn Hướng Đạo vẫn mang trong lòng

Chúc mừng 30 năm Hướng Đạo Trường Sơn!!

Girl Scouting Experience

I've been in Girl Scouts for more than 12 years, and in these 12 years, Girl Scouts has affected my life in various ways. I have met new people, made new friends, and created memorable experiences. When I first started Scouting, I was about 5 years old. I hated having to wake up every Saturday morning, missing my favorite cartoons, to go to Scouts. But in time, Girl Scouts had grown on me. I didn't mind to miss watching my favorite cartoons. Maybe it was because I was growing up and didn't care for cartoons anymore, but I think it is because of the friends that I have made at Scouts.

Girl Scouts is not just about making friends and having fun. It makes you be a better person. I have taken part in many community service projects because of Scouting. I've worked at soup kitchens, helped out at community centers, and I just recently planned and carried out a reading program for a community center. Scouting gets you involved in your community, and I believe that I wouldn't be the person I am today without Scouts.
