

*Our memory is a way of holding onto the things we love, the things we are, and the things we never want to lose.*

For me, the many memories I have made in Scouting encompass the friends that I hold dear, the countless laughs I have shared, and all the love and passion I have for scouting. All of these things I will carry with me and cherish for as long as I live. Scouting and just being part of Truong Son not only helped me grow into the person that I am today, but it also holds many of my fondest memories. It is how they say, "Pictures may fade, but the memories last a lifetime."
