## 9/13/13 A GIRL SCOUT MEETING.

Every Saturday morning, I go to GS meeting. My Troop is called Brownie Girl Scout. Some of them are 6 years old, others are 7. First, all the troops gather around for the Flag Ceremony. Then we go back to our own troop. I have a friend named Haylie. She comes to school with me. The Leaders tells us to learn the Morse Code. Then we eat chips, drink Kool-Aid for snacks. We play swing and slide on the playground. Next we made some art. We paint butterflies. Last we have Closing Flag Ceremony but this time the flags going down. We made a circle and sang goodbye song and go home.

## 10/23/13 PUMPKIN PATCH DAY.

Have you ever been to a Pumpkin Patch? I had, with the Brownies. Last Saturday at meeting the Leader talked to the parents and they took the girls to the Pumpkin Patch. I got there by car with my Mom and Dad. The name of the place is Johnson Brother Pumpkin Patch. It is in the city of Irvine. I counted 15 Brownies with me. I went around the place with my troop. I played in the jumper first. There was a face painting booth but I did not use it. My favorite activity was animal feeding. I bought only 25c of food to feed the goat, chicken and turkey. I also went to the graveyard and got scared by ghost and bats. I brought a pumpkin home and we will decorate it in the next meeting.

## 2014 SELLING GIRL SCOUT COOKIES.

I don't remember exactly the time when I was selling GS Cookies. I only remember that it was an experience that I never forget. My Mom drove me to the place. Where the Brownie Troop selling cookies, I could see Toy R Us and Knott Berry Farm. Behind was Dollar Tree and Pet Smart. Every time we saw someone walked in or out of the two stores, we would come and ask "Would you like to buy some GS cookies?" Our Leader said that we should divide into 2 groups with 3 people in each, but the Juniors, Melanie, Haylie's cousin was with Haylie group. I forgot to tell you that our name is Brownie but it's not the Cookie we eat. We got some "Yes" and some "No". We did not give up and at the end we sold most of the cookie boxes. I never forget this moment. I want to sell GS cookies again next year.

I learned about how to sell Girl Scout cookies and make friends. My favorite thing to do in scout is playing games and doing the friendship squeeze. Brownie Girl Scout is so fun! I learned a lot of things from it. First of all, I'm going to talk about selling GS Cookies. We all sell cookies. We have Thin Mint, Peanut Butter Patties, Thanks-a-Lot, Caramel Delight, Lemonades and Short Bread. We sell near other stores. When people come in and out of the stores, we ask if they want to buy cookies. If they say yes, we let them buy a box of cookies. If they say no, then we say "Okay, Thank You" or "Have a nice day". The cookies box cost \$5 per box. If we sell we get a cookie booth badge. That is all I can say about GS cookies.

**Kate Võ**

I like the Tết Festival because we get Tiền Lì Xì and we get to sing, to dance and performance. I also like to go caroling for the Christmas Program. Singing and dancing are fun.

## Rachel Nguyễn

Hi! My name is Rachel Nguyễn and I am 9 years old. I have been in Trường Sơn for about five years. I love Trường Sơn as much as the Trườg. It's fun to play with the Brownies and Juniors. My best friends at Trường Sơn, Elise and Vivian are both in the Juniors. Elise is one of my oldest friends from Trường Sơn and no matter what I'll never stop being her friend. Vivian, however, just started being my friend but we already have a strong relationship. It's like the 3 of us are a small group, but since I'm in Brownies we don't get to play too much, but we still play at snack time and after scout. The sad thing is I won't be in the same troop as them for at least 3 years because they're going to bridge to Cadette as I bridge to Junior next year. Like I said before no matter what we'll always be like sisters to each other. That my dear readers is why I love Trường Sơn just the way it is and why also love Girl Scout.
