

Hi my name is Bryan Le. I am a Life Scout and I am 14 years old. I attend Fountain Valley High school as a 9th grader. I have been with Truong Son throughout my Scouting career which is roughly 8 years. I joined Scouts in the first grade when I was introduced by a friend, Matthew Pham. I started from the youngest Tiger Cub Scout to now a Life Boy Scout and I am planning on finishing my Eagle Project fairly soon.

I have been in Thieu (Scouts) for about three years. During my three years in Thieu, I have been able to hold several leadership positions such as Quartermaster, Patrol Leader, Assistant Senior Patrol Leader, and soon Senior Patrol Leader. Thieu has given me a firsthand experience with responsibility by having me keep nutritious but also easy to prepare, and planning events and meetings.

One of my most successful projects was the Thanksgiving party of 2014 when I was ASPL (Assistant Senior Patrol Leader). I worked with the other ASPL at the time, Dylan Nguyen. We had to come up with a theme which was growing Scouts would earn prizes. We had a Thanksgiving dinner, games, and watched a movie. About that bad.

On April 17-19, the El Capitan Camporee camp was a competitive- in the El Capitan district came

Even though we came up a little short on awards, this was the most productive camp I have been to in Thieu.

Everyone who came to camp was always busy doing a specific job or helping others. This camp showed that we are capable of competing with other troops and that we would be a serious competitor for other troops. Even though we did not win a lot of awards, we plan to work even harder in order to prepare for Lien Ket XV (Vietnamese Camporee) and the 2016 Camporee. Thieu has played a major part in my life and has made many memories for me. The bonds that Thieu has helped me make with the other Scouts and Truongs are amazing. I have learned a number of things such as lashings and knots to leading a large group of people. Thieu has also helped me grow as an individual. I entered Scouts as a quite small boy and now I feel I am a capable leader. As of now, I have no regrets in my Scouting career. My favorite part about Scouts is the friendship I have made with the other Scouts. These friendships are filled with numerous memories from older camps and meetings.

2015, all the Thieu (Scouts) attended at Firestone Scout Reservation. This based camp where other Scout troops to compete for the best overall troop.
